

**MEMORANDUM**

April 26, 1994

**TO:** Maryland MOSH Contacts  
**FROM:** Patrick Donoho   
**SUBJECT:** Assignments from Meeting on April 21

---

Subsequent to our meeting on the Maryland Occupational Safety and Health (MOSH) proposed regulation on workplace smoking, the Maryland Coalition against Excessive Government Regulation has an identified chairman and over 1000 businesses who are opposed it. There is a press conference scheduled for the Coalition on Thursday, April 28, in Baltimore. Additional participants for the press conference are being contacted.

Below is an outline of the timetable, assignments, and key issues to be addressed in the MOSH process. I may have missed some of the items discussed during the meeting. Please let me know of any major additions, deletions, or changes to this outline.

The written submissions for the industry will be coordinated through Clausen Ealy at Covington & Burling.

I have, as a factor of time, not included specific detail in the outline. I expect the assigned contacts to coordinate their efforts with each other, as they have in the past. I know the time constraints are severe on this project, but truly appreciate your efforts. If you have any questions, please do not hesitate to contact me.
